

Dental System Reform (DSR) focus groups - Business support including dental nurses

Dental system reform focus group - expression of interest

NHS England and NHS Improvement as part of their work for the next stage of dental system reform are seeking the views of the dental profession and commissioners. Our ambition is to engage with all disciplines within the team and have representation that reflects the diverse workforce within dentistry. Therefore, we would like to invite you to register your interest to join one of our focus groups.

The focus groups will provide a valuable platform for you to talk about your experience of the current contract and thoughts and suggestions for potential improvements. To note these groups will not focus on individual contracts nor are they negotiation meetings.

If you would like to actively participate within a focus group, please complete the expression of interest survey. If we have more interest than we are able to accommodate in the groups then this information will be used to ensure that the groups are diverse in terms of sex, age, ethnicity, contract size etc. Further information about dental system reform can be found here (<https://www.england.nhs.uk/primary-care/dentistry/dental-commissioning/dental-contract-reform/>).

The survey will need to be completed in one sitting and will close at 23.59 Sunday 18 July.

At this stage we will be unable to respond to queries.

As spaces are limited if you have not been contacted by 6 August 2021 it will be because the group has reached maximum capacity. Future focus groups are being planned the detail of which will be made available in due course.

1. Your contact details *

First Name	<input type="text"/>
	*
Last Name	<input type="text"/>
	*
Email	<input type="text"/>
	*
Email confirmation	<input type="text"/>
	*
Telephone number	<input type="text"/>
	*
